I _____, understand that the services provided at Progressive Dentistry will not include amalgam or silver fillings.

When the dentist recommends a filling, the filling recommended will be the composite restoration, *white filling (tooth colored)*. We do not offer silver amalgam restorations at this office.

Your insurance company may not allow the same payment for these fillings on posterior teeth. By signing this form I acknowledge that I have been fully informed; and understand that I will be responsible for any co-pay for the difference.
